Mr. Harold Weisberg
Route 12
Frederick, MD 21701

Dear Mr. Weisberg:

This is in reply to your letter of September 2, 1975.

The photograph and copies of documents you ordered will be sent to you as soon as they can be prepared. We do not believe that a better copy of the Aebersold letter of December 11, 1963, to Assistant Attorney Miller can be made because the "original" is an electrostatic copy which is also illegible in some places. No other documents relating to the spectrographic and neutron activation analyses have been located.

Sincerely,

(MISS) JANE F. SMITH
Director
Civil Archives Division
